

Leading suppliers and experts of Heat Pump Technology since 2010

Freedom[^]
Heat Pumps
SALES | SERVICE | SUCCESS

Freedom Heat Pumps was founded in 2010 to fulfil a need in the UK heat pump market for sound, honest technical support to the plumbing and renewables trade. Our management team are all from Air Conditioning or heat pump backgrounds.

We pride ourselves on supplying the right kit for the job first time. We are the UK's largest dedicated heat pump distributor, specialising in Samsung, Hitachi, Clausius and Mitsubishi equipment, alongside a full range of complementary accessories and cylinders.

Why Freedom?

- » We stock around £250,000 worth of heat pump equipment and spares
- » We provide arguably the best tech support for heat pumps in the UK
- » We can offer same day heat loss calculations and quotations
- » We host and maintain our own warranties for Samsung and Hitachi meaning we can react incredibly quickly to warranty issues and queries
- » We provide next day deliveries for 95% of the equipment we provide
